IDEAL APPLICATIONS

For Work. For Play. For Every Day.

Whether you're managing farm tasks, tackling heavy-duty industrial work, exploring dense woods, camping in the great outdoors, or enjoying a short trip with family and friends — this UTV is your ultimate partner.

CAMPING

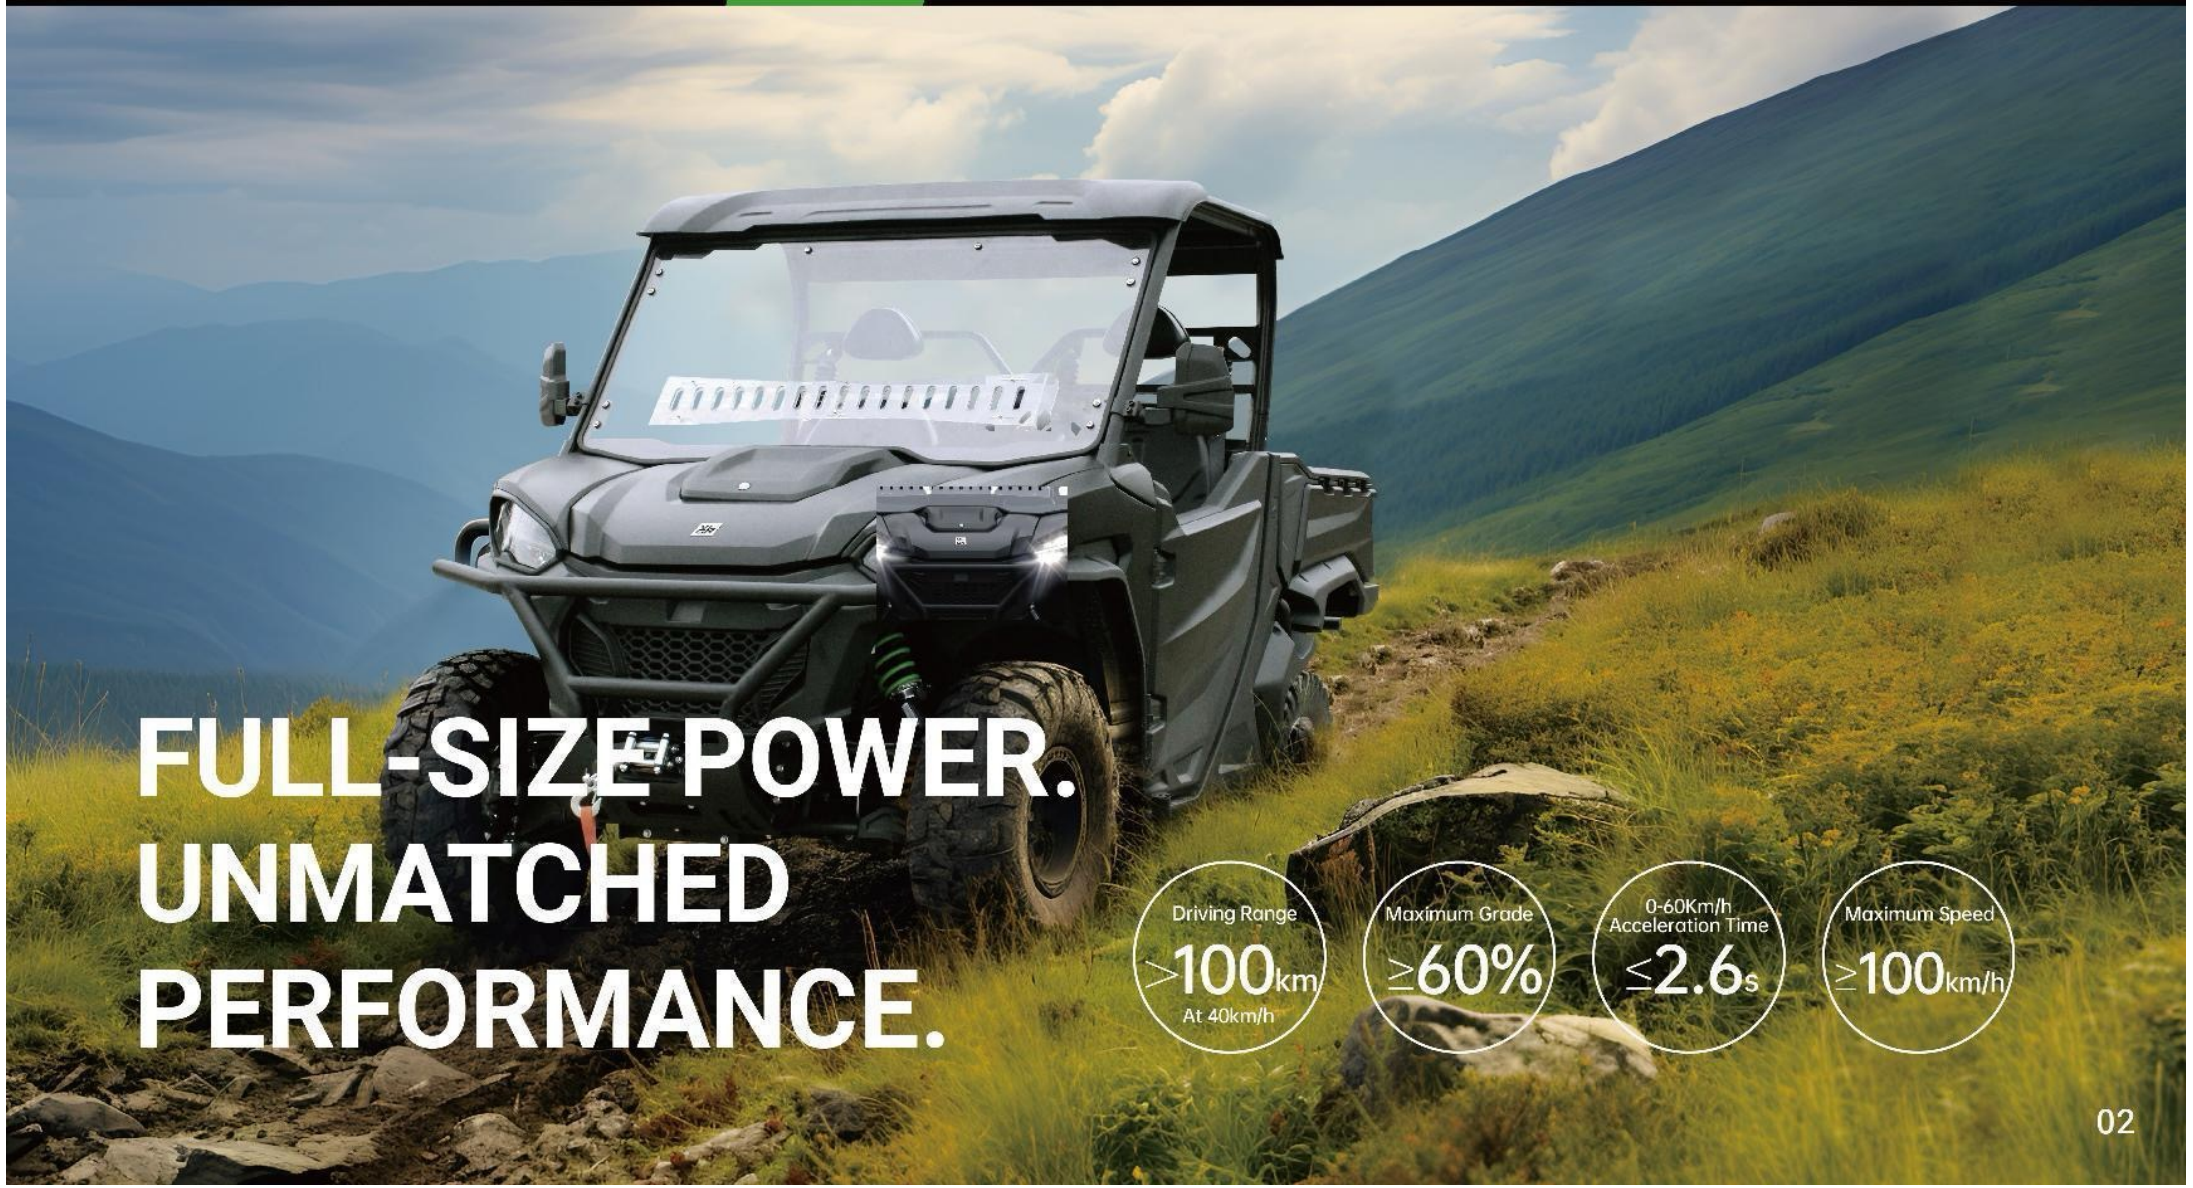

WITH THE FAMILY

IN THE OUTDOORS

FARM

INDUSTRIAL

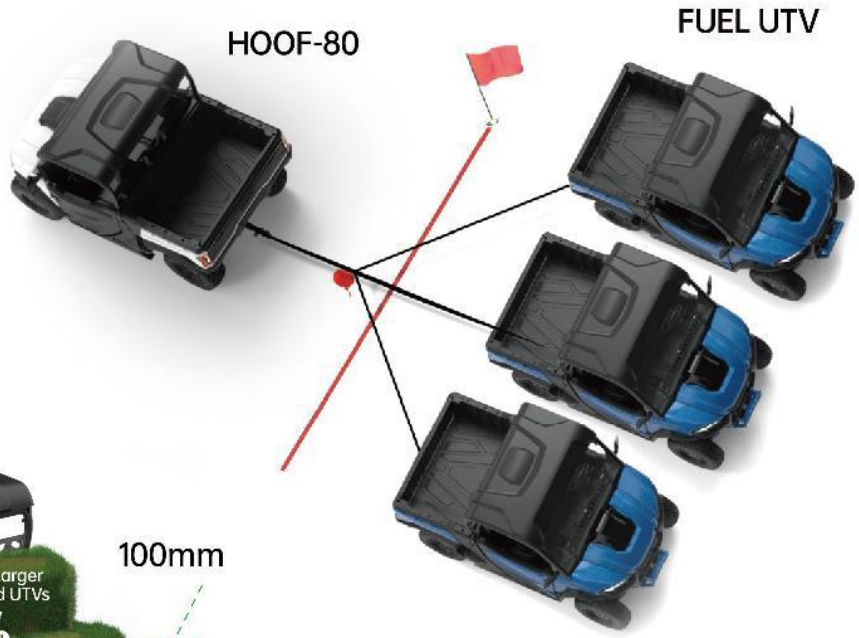

FULL-SIZE POWER. UNMATCHED PERFORMANCE.

Driving Range	Maximum Grade	0-60Km/h Acceleration Time	Maximum Speed
>100km At 40km/h	≥60%	≤2.6s	≥100km/h

Rugged body design built to withstand the toughest challenges

A Truly Full-Size, Large UTV

Greater cargo capacity makes transportation more efficient

Torque: **230N·m=1.8T**

(Engine Performance Index)

1 Electric Vehicle=3Gas Vehicles

Towing Capacity⩾1800kg

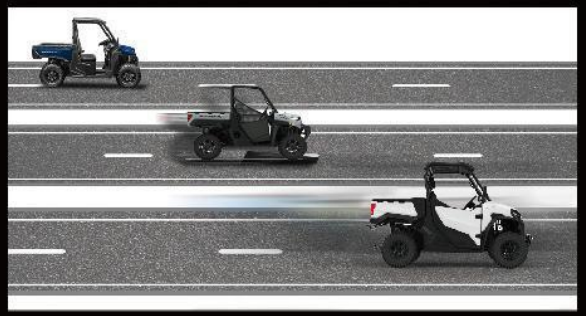

In quietness the soul unfolds gently

Leaving that tranquility
and warmth for the ones you love most.

40%

Lower Noise Compared to Traditional Gas Vehicles

6meters/S 0~100km/h<15 s Competitor's UTV

19meters/S 0~100km/h < 6s Competitor's UTV

27meters/S 0~100km/h < 3.8s HOOF-80

Acceleration Performance Index

Microfiber-Reinforced PU Leather

Aesthetic, Elegant, and Strongly Integrated
Durable, Stain-Resistant, and Easy to Clean

Pressure Sensor

Detects the Presence of Occupants in the Seat

Seatbelt Alarm

Alert for Unfastened Belts to Ensure Safety

D-Shaped Steering Wheel

380-Degree Rotation
Better Grip Feel and More Comfortable
for Drivers with a Broader Build

Center Console Physical Controls

Dynamic Knobs with a Premium Mechanical Feel

Ambient Lighting

Voice Control、Seven Color Modes、One Custom Mode

Single Color、Breathing、Flash、Rhythm、
Fantasy、Flowing Light、Overlay、Custom

Multi-Functional Front Windshield

Coated Scratch-Resistant with Sliding Window Design

* Optional Upgrade to Tempered Glass

Central Rearview Mirror

Full 360-Degree Adjustability

Wide Field of View,

Hassle-Free Reversing

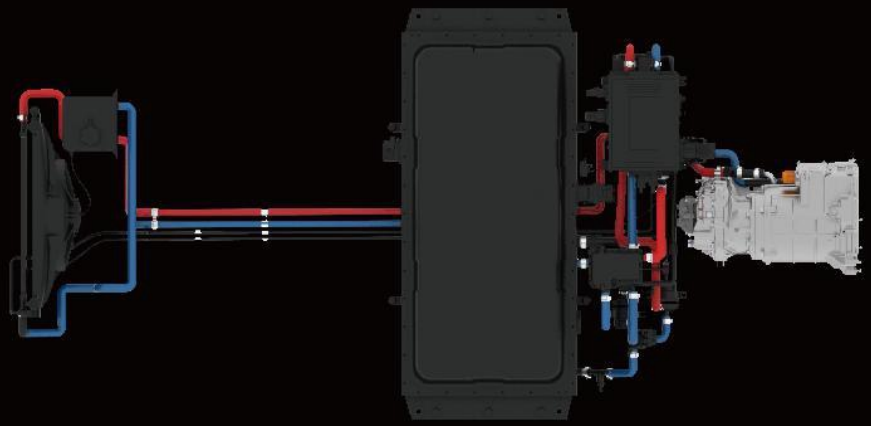

Side Rearview Mirrors

90° Foldable and Fixed

Automatic Rebound Upon Impact

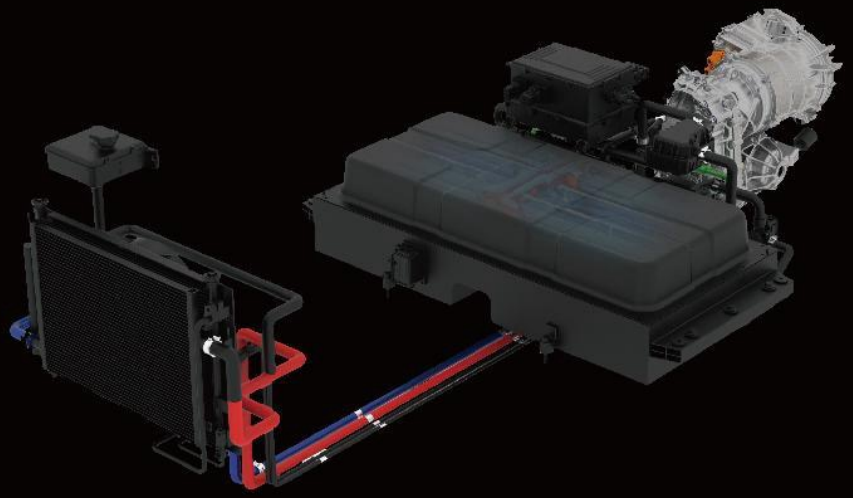

World's First

350V High-Voltage
Platform All-Electric UTV

Liquid Heat Management System

Intelligent Temperature Control
Heat Recovery

Power Battery

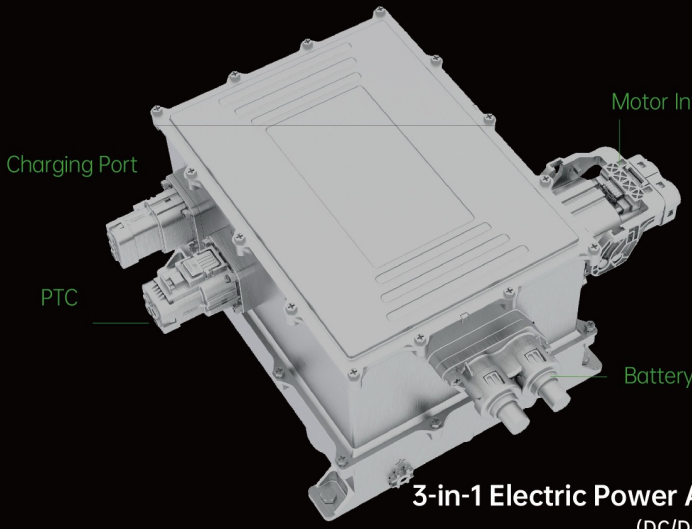

Lithium-Ion Soft Pack Cells Certified by UL2271

IP67	244wh/kg	-30℃ ~ 60℃	⩾1600 Cycle	350v 17.5 kWh
Protection Level	High Energy Density of Cells	Wide Charge/Discharge Temperature Range	Cell Cycle Life	Voltage Capacity

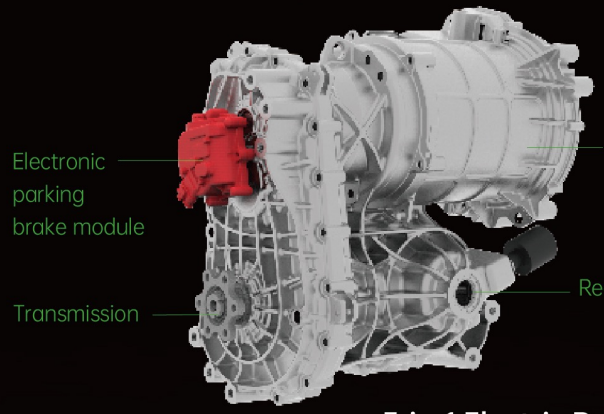

Battery Pack Safety Testing

During Operation, Manual Water Injection:
The Battery Automatically Protects Itself, Without Smoking or Catching Fire.

3-in-1 Electric Power Assembly
(DC/DC+PDU+OBC)

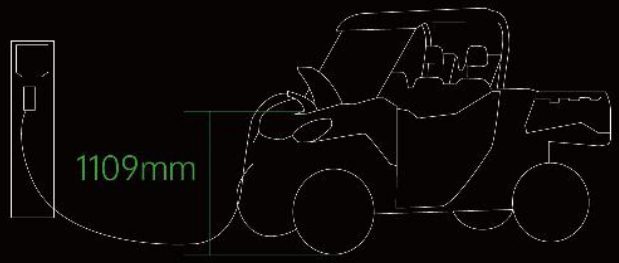

3-in-1 Electric Drive Assembly
Permanent Magnet Synchronous Motor

High-Position Charging Port

Safer in Flooded Environments

Portable Generator

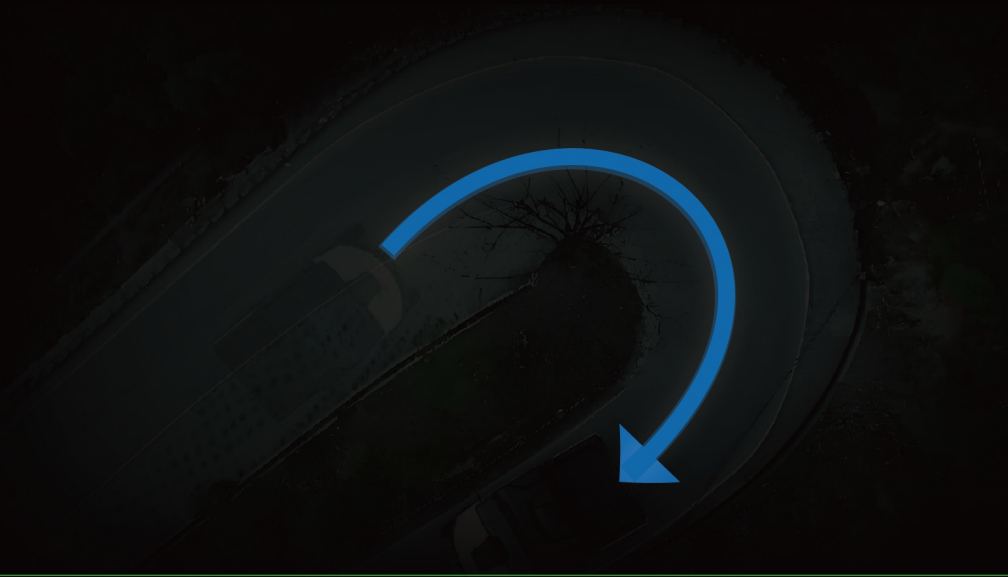

For long journeys, worry-free range.

Rated **3.2KW** with Multiple Outlets
Meets Various Electrical Device Needs

8L Fuel Tank, Extends Range by Over **70KM**
Weighs **28KG**, Easy to Carry

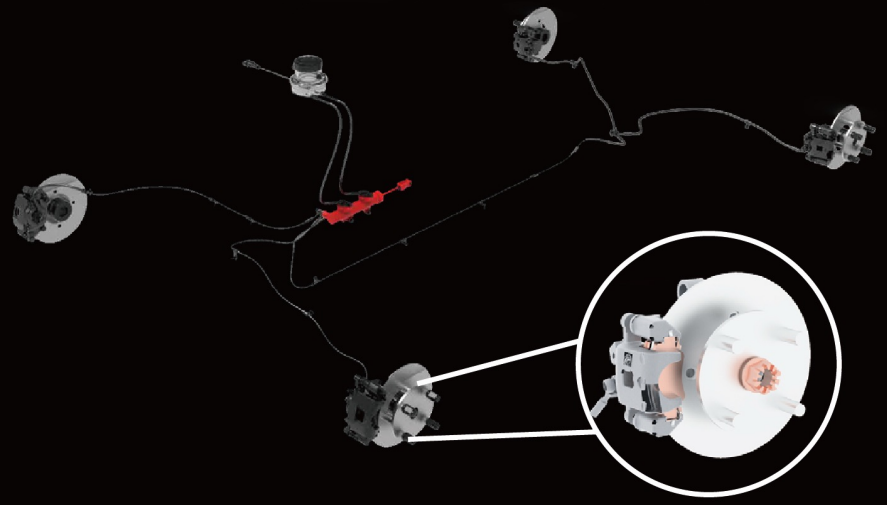

Agile Manoeuvring
Easily Conquer Rugged Mountain Roads

4.35m Turning radius

CBS Braking System

Front and Rear Brakes Can Operate Simultaneously or Independently
Greatly Enhances Braking Efficiency and Safety

Brake Discs
Made from 12Cr13 Heat-Resistant Material,
Durable and CorrosionResistant

Brake Pads
Made from Sintered Metal Composite Material, Wear-Resistant and
Environmentally Friendly, Ideal for Mud, Sand, and Water Conditions

Double A-Arm Independent Suspension

High-Quality Alloy Steel Suspension System

Good Shock Absorption
Fatigue Resistant
High Traction
High Reliability and Durability

EPS Steering Assist

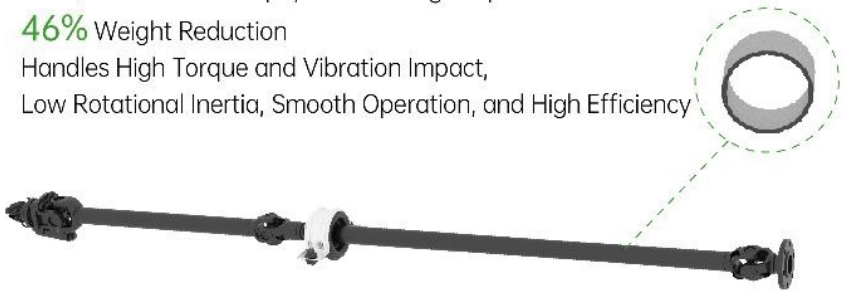

Effortless Operation, Automatic Return to Center, Reduces Fatigue

Steering Knuckle

40Cr Alloy Structural Steel with High Hardness
Resistant to Load, Wear, and Impact

Hollow Driveshaft

440Q Welded Steel Pipe, Yield Strength up to 440 MPa
46% Weight Reduction
Handles High Torque and Vibration Impact,
Low Rotational Inertia, Smooth Operation, and High Efficiency

Smart Technology

Gives the All-Terrain Vehicle a Brain

13"

1920x1080 HD Resolution | IP67 Dust and Water Resistant
Automotive-Grade Reliability | Online Navigation with Google Maps
Online Audio and Video with Spotify and YouTube
Smart Wireless Phone Mirroring | HD Reversing Camera

Extra-Large LCD Screen

Industry-Leading 13-Inch Center Console Screen

10.25-Inch Instrument Display

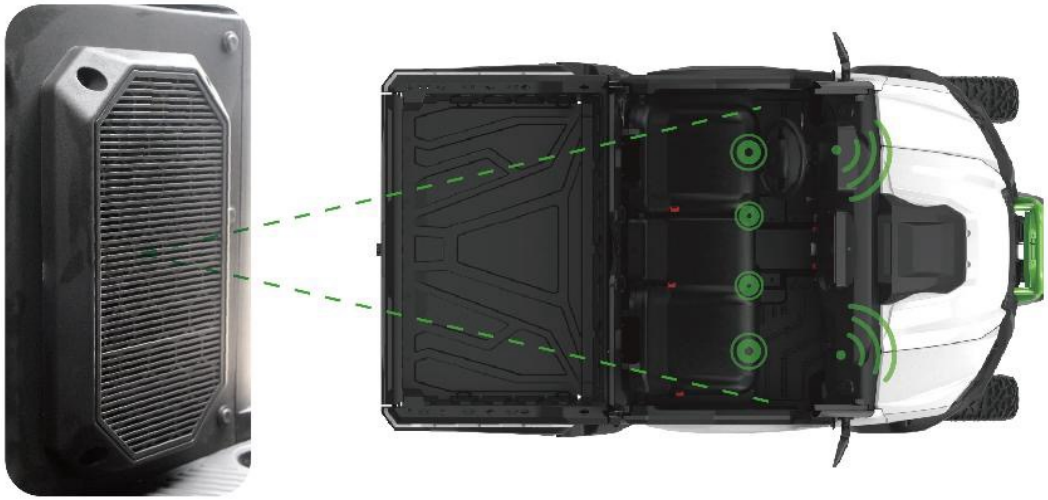

Driver Assistance Features

Supports Reversing Camera

Optional 360-Degree Panoramic View

Ensuring Safe Off-Road Adventures

Full Vehicle Acoustic System

4 High-Power Hi-Fi Full-Range Speakers

Clear High Notes, Rich Low Notes

Adjustable Soundstage and Equalizer

Omnidirectional High-Sensitivity Microphone

Multi-Zone Recognition for Clearer Sound Pickup

CUSTOMIZATION
